Women and Jewels.

Jewels, candy, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often ruined in the strenuous efforts to make or save the money to purchase them. If a woman will risk her health to get a coveted gem, then let her fortify herself against the insidious consequences of coughs, colds and bronchial affections by the regular use of Dr. Boschee's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the cr. disease from the system. It is a cure all but it is a certain cure for coughs, colds and all bronchial troubles. You can get Dr. G. Green's reliable remedies at W. T. Brooks'. Get Green's Special Almanac.

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

AN OLD SORE

months of diligent and faithful use of external remedies that the place remains as defiant, angry and offensive as ever. Every chronic sore, no matter on what part of the body it comes, is an evidence of some previous constitutional or organic trouble, and that the drugs of these diseases remain in the system; or, it may be that some long hidden poison—perhaps Cancer—has come to the surface and begun its destructive work.

The blood must be purified before the sore will fill up with healthy flesh and the skin regains its natural color. It is through the circulation that the acid, corroding fluids are carried to the sore or ulcer and keep it irritated and inflamed. S. S. S. will purify and invigorate the stagnant blood when all sediment or other hurtful materials are washed out, fresh rich blood is carried to the diseased parts, new tissues form, and the decaying flesh begins to have a healthy and natural look; the discharge ceases and the sore heals.

Several years ago, my wife had a severe sore leg and was treated by several physicians but received no benefit. Our druggist advised her to try S. S. S., which she did. Fourteen bottles cured her and she has been well ever since.

A WORTHY SUCCESSOR.

"Something New Under The Sun."

All doctors have tried to cure CATARRH by the use of powders, acid gases, inhalers and drugs in paste form. Their powders dry up the mucous membranes causing them to crack open and bleed. The powerful acids used in the inhalers have entirely eaten away the same membranes that their makers have aimed to cure, while pastes and ointments cannot reach the disease. An old and experienced practitioner who has for many years made a close study and specialty of the treatment of CATARRH, has at last perfected a Treatment which when faithfully used, not only relieves at once, but permanently cures CATARRH by removing the cause, stopping the discharges, and curing all inflammation. It is the only remedy known to science that actually reaches the afflicted parts. This wonderful remedy is known as "SNUFFLES" the GUARANTEED CATARRH CURE and is sold at the extremely low price of One Dollar, each package containing internal and external medicine sufficient for a full month's treatment and everything necessary to its perfect use.

"SNUFFLES" is the only perfect CATARRH CURE ever made and is now recognized as the only safe and is also wonderfully quick to relieve HAY FEVER or COLD in the HEAD.

CATARRH when neglected often leads to CONSUMPTION—"SNUFFLES" will save you if you use it at once. It is no ordinary remedy, but a complete treatment which is positively guaranteed to cure CATARRH in any form or stage if used according to the directions which accompany each package. Don't delay but send for it at once and write full particulars as to your condition and you will receive special advice from the discoverer of this wonderful remedy regarding your case without cost to you beyond the regular price of "SNUFFLES" the "GUARANTEED CATARRH CURE."

If impatience or fault-finding are ever excusable it is when the body is tortured by an eating and painful sore. Every chronic sore, no matter on what part of the body it comes, is an evidence of some previous constitutional or organic trouble, and that the drugs of these diseases remain in the system; or, it may be that some long hidden poison—perhaps Cancer—has come to the surface and begun its destructive work.

Quaint, Queer and Curious Salt Lake City.

The late Col. John Cockerel, in The Cosmopolitan said, "There are three unique cities in America, and one of these is Salt Lake City." It is not only unique in its temple, tabernacle and other Mormon church institutions, but quaint in appearance, with its wide streets, immense blocks and martial rows of shade trees. It has, perhaps, more attractions to the square yard than any city in the country, and its climate, while temperate all the year round, is particularly delightful in Summer. The Great Salt Lake, with its magnificent Saltair resort, where the water is "deader and denser" than that in the Dead Sea in Palestine, is an attraction in itself that people come miles to see. There are many cool mountain and lake resorts near by, also numerous very pretty canon and park drives, and hot sulphur springs. Fishing and hunting can be had in every direction. The trip from Denver to Salt Lake City and Ogden, via the Denver & Rio Grande and the Rio Grande Western, is one of unsurpassed pleasure. Here nature is found in her sternest mood and the whole line is a succession of rugged canyons, waterfalls and picturesque valleys. No European trip can compare with it in grandeur of scenery. During the entire Summer there will be low excursion rates to Salt Lake City and contiguous country. It is on the Pacific coast, if that be your destination. Write S. K. Hooper, G. P. & T. A., Denver, Col., for beautifully illustrated pamphlets, etc.
